2 DAY TRAINING COURSE
ASSESSING & TEACHING SOCIAL SKILLS

The 2 days will introduce professionals to social skills and what can be done about social skills difficulties. It covers how to assess social skills, set up and run social skills groups effectively and use other methods of interventions such as media and stories. It is a practical & interactive course and so you will not only come away with the theory on how to work with children in the most effective way, but you will also come away with the confidence to start working with children immediately. Alex uses a mixture of lecturing, videos and practical exercises to keep you engaged, interested and amused.
