Disclosing the Diagnosis
Irabina Bayswater

TUE 23RD FEBRUARY 6.30-8.30PM
PRESENTED BY DR. JOSE MOLINA

SESSION DETAILS:

When it comes time to share a diagnosis of ASD, it can be difficult to know where to start. Who, why, when, and how are common questions that parents are faced with when dealing with sharing their child's diagnosis. This workshop will provide practical strategies to help you determine the best course of action in regards to the child with the diagnosis, siblings, family/friends, and kinder/school.

DR JOSE MOLINA:

Jose is a Clinical Psychologist and Member of the Australian Psychological Society. Jose holds a Doctorate in Clinical Psychology, a Master's degree in Clinical Psychology, and a Bachelor's degree in Psychology. Jose is also a certified therapist for the Early Start Denver Model. Jose is the Bayswater Community Hub Manager, and also provides clinical services including assessments, early intervention, child psychology, and counselling. Jose's professional interests are neurodevelopmental disorders and early intervention. Jose also enjoys spending time with his young son, hiking and travelling across Australia.
