P.M.P. (Perceptual Motor Program) - Prep K & Prep M

Dear Parents,

Next week we will be starting our P.M.P. program in the school gym on a Tuesday morning. There will be two sessions with Prep M taking part between 9.00-9.30am and Prep K between 9.30-10.00am.

P.M.P. is a program where small groups of children rotate through a number of ‘stations’ taking part in activities designed to develop balance, co-ordination, space, body awareness and fitness. These activities are planned and set up by the teachers.

Teachers and parents (one per ‘station’) will be required to supervise and assist the children. Cards are provided to give you the information you will need to do this.

If you would like to help with our P.M.P. program on Tuesday mornings between 9.00-10.00am please return the slip below. If we have enough helpers we can roster parents to help out on a fortnightly basis.

Thank you for your support,
