

Your Voice

Do you want to learn more about yourself, be part of a group and make a difference in your community?

The Crew and ITC Youth Leaders Team are joining forces for an amazing opportunity to learn and develop skills to build Your Voice in the community.

Your Voice Training

Your Voice offers training and opportunities in:

- public speaking and communication
- therapeutic story telling/personal narrative
- self care and boundaries
- event management
- diversity and cultural awareness

Come along to the **Your Voice** Training, as you learn, explore, and develop your personal potential. See what having a meaningful voice in your community can look like.
