

What have we been up to this week?

Fine Motor Skills

The Preps have been continuing to develop their fine motor skills using a variety of equipment, from puzzles and games to therapy putty and weaving. Developing fine motor is an important part of learning, it can help assist concentration and control in handwriting and art.

Playing pick-up-sticks!

Therapy putty

Threading beads

STUDENTS OF THE WEEK!

Prep Mac: Alannah T for being there for her classmates with a kind and caring attitude.

Prep M: Benjamin D for working so hard to learn his new words. Ashleigh T for putting greater effort into her writing.

Prep V: Chace C for always giving his best when he is learning something new. Great job, Chace!

Numbers to 20
 Counting after the number
 10

SCIENCE

Space and Shelter
 What do living things need in
 their habitat?

VALUES

Confidence
 Are we trying our best every
 time we learn?

Welcome to our new Prep Mac student Isabella!
 Liam making magic words with blocks

Reminders for the week:

- There have been changes to the Working with children check policy, if you are working in classrooms at all you must have a WVCC. If you have yours, could you please give us a photocopy to put on file. If you have already done so, don't worry!
- Book week is the 21st - 26th of August. We will be doing many activities around book week but the main one is a book character dress up day which will be held on Monday the 21st. The Kids can come to school that day dressed as any character from a book they love. **Nb. don't forget we have PE that day so you might want to pack runners in their bag.**
