Term 4 week 1

Friday 12th October 2018

What have we been up to this week?

This week in Prep we have been learning how to make numbers using a tens frame, writing our numbers from 10-20 correctly and showing ways to make and model numbers to 20 using counters, unifix and real life objects. The children have settled back to school beautifully and are looking forward to lots of exciting activities in Term 4. Please mark some of these important dates on your calendar.

### Term 4 Important dates
