Term 4 week 3

Friday 26th October 2018

What have we been up to this week?

We would like to welcome Ben W who started this week in Prep F. The children have loved getting to know him. This week in Prep we have been undertaking activities in our classrooms that focus on 'brain breaks'. We have been using music and movement breaks to re-energise and to re-focus our attention. The children have enjoyed using 'Go Noodle' and practising their rainbow breaths and concentration skills. Perhaps you might like to try some of these at home.
