Term 4 week 5

Friday 11th November 2018

What have we been up to this week?

This week in Prep we have been working hard to get sponsors for the whole school Mathethon on Friday. We have been learning about predicting and making inferences about a text. We have been learning about patterns on the 100's counting chart. Our next topic in maths will be data and graphing. We will be completing assessments for report writing. We will also commemorate Remembrance Day at 11am.
