

What have we been up to this week?

- We have been learning about similarities and differences in our reading.
- We have enjoyed writing about our star of the week.
- We have been learning about sustaining the environment and how we can reduce our energy usage.
- We continued learning about comparing lengths of different objects.

Google User Agreements

This week we have sent home our Google User Agreements. These agreements outline the expectations for students about how to treat devices and how to treat themselves and others online. Please read through the agreement and talk to your child about it. At Yarra Road we run extensive cyber safety programs and respectful relationships with Mr Smith. We have also introduced 'Iri' an alien cartoon that reminds students the that the things we do online can have an effect in Real Life. For information about how to properly prepare your child for the digital future we recommend visiting the Office of the eSafety commissioner <https://www.esafety.gov.au/> this website has great resources for you as a parent to help support your family with what to watch out for and even has a reporting tool.

* Our Timetable for Week 8 only *

There are slight changes to the timetable next week due to the grade 3 and 4 Camp

Monday: Public Holiday

Tuesday:

Wednesday: Music, Indonesian, Art

Thursday: PMP (there will be no P.E. this week)

Woolworths Earn and Learn Program

We are collecting earn and learn stickers for the school. Please bring your earn and learn stickers to your teacher so your child can get house points for their contributions.

STARS OF THE WEEK*

(Presented on Monday the 17th of June at Assembly)

Prep Mac: **Aisha Ross** - For always putting in lots of detail and effort in her work.

Prep E: **Kaden D'Abico** - For always trying challenging himself in is learning.

M100 Words

Mitchell R.

<p><u>INTEGRATED STUDIES</u></p> <p>We will be learning about good rubbish and bad rubbish.</p>	<p><u>VALUES</u></p> <p>Respect Treating others with respect in the classroom, playground and online.</p>

DO YOU HAVE ANY UNWANTED DRESS UPS?

At Yarra Road, we love dress up days but this can sometimes come as a cost to people who aren't always in the position to pay for costumes or outfits, especially if they have a lot of siblings.

We are calling on the community to ask for any costumes or dress ups that you don't want anymore or that your kids have grown out of, that you could donate. We will then keep a collection of them at school and help those out who need it, or for the occasional child who forgets it's dress-up day.

We really appreciate those of you who have already donated and hopefully there will be more of you out there who are able to assist.
