Term 2 week 8

14th of June 2019

What have we been up to this week?

- We have been learning about Capital letters - which words need a capital letter in our reading and writing.
- We have completed our measurement topic and have then been revising all of the numeracy concepts that we have been learning about this term.
- We have been using 'Sunshine Online' during our reading time. There are lots of stories and then activities that we really enjoy.
- We have been learning about what can be recycled and what cannot in our rubbish.

Google User Agreements

Last week we have sent home our Google User Agreements. If your child has not returned this agreement to their teacher, please do so before Wednesday of next week.

* Our Timetable for Week 9 *

Our timetable will return to normal next week. Thank You to those helpers that assisted Miss D, Miss Franklin and Mrs Macrae with PMP this week.

Monday: Music and Art

Tuesday: P.E. and Indonesian

Wednesday: Library

Thursday: PMP

Friday: Fun Friday!

Term 3

Mrs. Macrae will be on Long Service Leave for the first three weeks of term 3. She will be travelling to America with her family on a much anticipated holiday.

We will let you know who her replacement will be as soon as it has been decided.

Nicole Franklin will be Prep Coordinator in her absence.

STARS OF THE WEEK

(Presented on Monday the 17th of June at Assembly)

Prep Mac: Annie Taylor - For always having such a positive attitude.

Prep F: Cooper Henry - For always presenting his work beautifully.

Blue Cross

We are collecting items for the Blue Cross Animal Shelter. If you have old towels, blankets or any canned pet food, please bring them in to collect extra house points.

M300 Words

(presented at Monday's assembly)

Ivy Klewer

<p><u>LITERACY</u> <u>Sounds</u> T as in tiger S as in seal</p> <p><u>Writers Notebook</u> Using capital letters in our writing Adjectives</p> <p><u>Readers Notebooks</u> Capital Letters Making predictions</p>	<p><u>MATHS</u> We are revising measurement and numbers to 10.</p>
<p><u>INTEGRATED STUDIES</u> We will be learning about reducing, reusing and recycling our rubbish both at home and at school.</p>	<p><u>VALUES</u> Persistence Keep trying. You may not be good at it yet, but you can be with practise.</p>

Student Reports and Conferences.

Student mid year reports will be available for viewing on-line from next Friday. At the beginning of next week, parents will have the opportunity to book through the Compass App, parent teacher conferences. These are to discuss your child's progress and to ask any further questions that you may have regarding the report or reporting process. In Prep, students **DO NOT** attend these interviews as they do in years 1 through 6.

Miss D's Final Day

Next Wednesday, is Miss D's final day. She has been working in Prep Mac for the last 6 weeks on her last rounds before becoming a fully fledged teacher. Prep Mac will be collecting items for a gift to be presented to her on that day. Prep F students are more than welcome to contribute things that she may need as a future teacher to this gift e.g. highlighters, pens, pencils etc if they would like.

Please bring them into Mrs. Macrae to add to the collection - SHHHH though, it's a secret!
