

What have we been up to this week?

- This week we have been exploring voice in books and how we can add voice to our writing. Voice is the personal stamp of the writer. The kids really enjoyed making funny faces to show the different emotions they can add to their writing.
- We have skyped with Mrs Macrae while she is away in America. She is enjoying the sunshine and especially loved visiting Hogsmeade.
- In Maths we have been looking at adding groups together and all the different ways we can make numbers.
- Next week the kids will participate in the First Aid School Program. Students will learn what to do in an emergency and how they can help others in need.
