

What have we been up to this week?

- This week in prep we have explored the /f/ and /n/ sounds. We have brainstormed all the words we could think of that contain those sounds.
- We have been learning about verbs, nouns and adjectives in reading. I wonder if you could get them to find some in their readers?
- In Maths we have continued looking at adding groups together and the friends of 10.
6 and 4 is 10 5 and 5 is 10
3 and 7 is 10 10 and 0 is 10
Can the students think of any more?
- We have looked at what it means to be fair and what it feels like when something is unfair.
