

Application and Enrolment Process

Thank you for your interest in enrolling your child at Yarra Road Primary School.

Our school is using an online system for new enrolments to Victorian government schools, called VicStudents.

Can I use the online system to enrol my child?

The online system is currently available for students who are enrolling in a Victorian government school for the first time. Generally, this includes:

- Foundation (Prep) students
- Students at any year level that are joining from interstate or a non-government school in Victoria.
