

## MOBILE PHONES – STUDENT USE POLICY

### PURPOSE

To explain to our school community the Department's and Yarra Road Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices such as smart watches during school hours.

### SCOPE

This policy applies to:

All students at Yarra Road Primary School and its Students' personal mobile phones and other personal mobile devices such as smartwatches brought onto school premises during school hours, including recess and lunchtime.

### DEFINITIONS

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

### POLICY

Yarra Road Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Yarra Road Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### Personal mobile phone use

In accordance with the Department's [Mobile Phones – Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Yarra Road Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical, and responsible manner.

### Secure storage

Mobile phones and other mobile devices owned by students at Yarra Road Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Yarra Road Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Yarra Road Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Yarra Road Primary School, students are required to store their phones/devices either by handing them into the school administration office to be placed in a lockable storeroom, in the 5/6 area to the teachers who will put them away in their office and the 3/4 area in the lockable boxes provided in the classroom.

### Enforcement

Students who use their personal mobile phones inappropriately at Yarra Road Primary School may be issued with consequences consistent with our school's existing Student Wellbeing and Engagement and/or Code of Conduct or Bullying policies.

At Yarra Road Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
