**NEWSLETTER Wednesday 11th May 2016**

**Education Week (16th – 20th May)**
Next week we will celebrate learning throughout our school with Education Week. Many of us have passions that shape our lives and many of these passions were introduced to us during our days at school. I remember my first experience of kayaking when I was on my Grade Five camp. Since that day I have developed my love for paddling and take any opportunity to kayak, especially while on holidays here or overseas.

Please see below an outline of the week’s activities, which culminate in Discovery Night, next Thursday, where you can come and experience a taste of the learning that your child is currently undertaking at school. A full timetable of Discovery Night is included with this newsletter.

**Don’t forget, there is a Sausage Sizzle on Discovery Night, order forms are attached.**

**Monday:**  Assembly recognition of The Stars of the week for this week and last week.  CBA student banking presentation  Karate demonstration during Assembly

**Tuesday:**  Cross Country – at Lilydale Lake  Prep Information Night  6.30 pm: School Tours conducted by Grade 6 students and Student Leaders  7.00pm: Information Night outlining our school and the learning from Prep to Year 6.

**Thursday:**  Discovery Night – see attached timetable  Book fair  Sausage Sizzle

**Friday:**  Walk to School Day  Special Autumn Lunch from the Canteen

**NAPLAN**
Congratulations to our Year 3 and Year 5 students who have been sitting the NAPLAN tests with a positive attitude. It is great to see then concentrating on the task and aiming to be their best. NAPLAN is an assessment of the child’s performance on one day and doesn’t take into consideration all their personal qualities, aspirations and amazing knowledge.

The grade teachers talked to their students about the testing program and followed it up with a letter. Here is an extract from the letter:

“… a NAPLAN test is just one test on one day of the year. It is simply a reflection of your best on that particular day. The tests cover your literacy and numeracy skills and nothing more.

The person assessing your test does not know you like your family does, like your friends do or like I do. They do not see all the remarkable traits that make you so special and unique.
They do not mark you on your creative ability to design an amazing base in the sanctuary or the artistic skills you use to wow your classmates every day. The assessor doesn’t know you play a musical instrument or sing beautifully in the choir, nor have they seen the confidence you have shown to speak at assembly or perform in the production.

Your NAPLAN marks don’t reflect the fact that you had to dig deep to show confidence and resilience in order to help your team win the After School Basketball final, displaying good sportsmanship throughout.

Most importantly though, NAPLAN results are not an indication of the quality of your character. They don’t show that you are a respectful, loyal, kind and caring friend who looks out for others. There is no test that measures your ability to make the people in your class smile and laugh when they are feeling down.

As a teacher I know how hard you work and the effort you have put in to improve your skills in Literacy and Maths.”

**Car Parking**

Another rainy day, better pick up the kids after school … but, oh what chaos this can cause in the car park!

Of course the important thing is to collect your kids safely, with the minimum of fuss. But please look carefully at the signed parking spaces. Don’t leave your car or stay for longer than 2 minutes in the NO PARKING zones. As difficult as they may be we need to respect the Council By-Laws and respect all members of the school community.

Teachers are out on duty in the mornings and afternoons but it is not their job to move traffic on or police the parking spaces. Please remember that they are there to support the students and you, but not to act as traffic or parking controllers.

It’s so hard, we have limited space for parking and at the moment there is little we can do to alleviate the situation. Maroondah Council are visiting again today to inspect the functioning of the parking area and we hope to have new regulations on the NO PARKING area soon. Stay tuned, we will let you know as soon as we do of any changes that are to happen.

**Education Committee** is a fun group that talk about the why, when and what ifs of learning. It considers what we are doing at the moment and where we could head in the future.

It’s an open meeting where everyone is welcome to bring their ideas about learning at YRPS and to listen to the thoughts of others. It’s a group that has been instrumental in changing practices, surveying the community and supporting the school to get better and better.

JOIN the group of fun, fast conversation and ideas. Tonight 7.30 pm in the Staff-room.

Cheers, Kate
Discovery Night
Thursday 19th May, 2016
5.30 pm to 7:30 pm
Come and discover what happens in our classrooms

On this special night, for all current families, our students and visitors, you have the opportunity to:
- look through our classrooms,
- visit the grade levels that your child will be in next year (2017), to see what they do
- listen to short information sessions about aspects of our curriculum,
- visit our Book Fair and purchase books,
- chat with other families and teachers,
- see a sneak preview of this year’s production
- enjoy stories read by senior students
- skip cooking – dine at the sausage sizzle and …
- enter our FLAG Hunt and raffle.

Between 5.30 and 7.30 pm we encourage you to bring the whole family and visit all the classrooms with your child to see the work and activities they are involved in.

A timetable of activities on the night and the sausage sizzle order form are attached.

Capture the Flag and raffle

In each area of the school a flag will be hidden. Find the location of the flags, record their hiding spot on your entry form and enter the raffle draw to win gift vouchers for the Book Fair. (There will be several prizes targeting different age levels).

Prizes will be announced on Monday 23rd May so that the winners can use their vouchers at the Book Fair.

Entry forms are will be available in each classroom and the completed entries are to be placed in the raffle boxes located at the Book Fair.

We look forward to seeing you on the night!
## DISCOVERY NIGHT TIMETABLE

We’re excited to offer the Commonwealth Bank School Banking program to all students at Yarra Rd Primary.

The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week and is designed to develop the habit of saving. There is no minimum deposit: School Banking is about *how often* rather than *how much* your child banks.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

The rewards available during 2016 are:

- Flying Snake Tail
- Wildlife Writer Set
- Mud Splat Handball
- Outback Pat Bag Tag
- Backtrack Eraser Pen
- Jump and Skip Rope
- Bush Fly Fan
- Wriggly Glow Worm

**School Banking is also a great fundraiser!** Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

If you are interested in opening a Commonwealth Bank Youthsaver account for your child, please bring along your current driver’s licence or another form of photographic identification.

There is no need to provide identification for children enrolled at school. Alternatively, you can open an account at your local branch. All you need to bring is your current identification as well as your child’s birth certificate. If you are an existing Commonwealth Bank customer and have NetBank, you can open an account online.

**BANKING DAY IS THURSDAY** Each week books are collected from the classroom and returned after processing.
UNSW Tests

Please [click here](#) to download copy of information and permission form. Enrolment forms and payment for the Spelling and Writing tests are due at school by this Friday May 14th.

Thanks,
Andrea Jackson

UNIFORM SHOP NEWS

WATERPROOF RAIN JACKETS

I receive many enquiries about whether we stock rain coats, so I have a sample in the shop for viewing—size 8

The black rain jacket is waterproof, it packs small by rolling into itself and has no logo so can be worn out of school hours casually.

I will take orders and delivery will be at the start of term 2.

Cost is $25

Thanks Lisa Kemp

The Entertainment Book is back!  
But, which Entertainment Book should I buy?

Digital vs Hard Copy Book

Hey Yarra Road families! Once again the Entertainment book is available to purchase through the school. 20% of each book sold goes straight to the school to help boost fundraising efforts.

Are you undecided about which style membership you want? Curious about the digital membership? Me too – so this time around I’ve decided to try out the digital membership option.

I mainly use the book for the dining vouchers and one of the things I weighed up was the fact that I could no longer swap the printed vouchers with my friends to get more of the vouchers I use the most. However; what won me over was the fact that I had the book with me (in my phone!) all the time, meaning I could access a range of vouchers that I wouldn’t have otherwise had on me for those last minute ‘eat out’ decisions. No need for pre-planning and it will also encourage me to try out different restaurants.

One of the main benefits of the digital membership is that no matter where you are in Melbourne, you can search for a nearby restaurant that offers discounts – it even shows how far away you are! It’s also very handy for the food courts in shopping centres! The way it works for dining is you select the voucher you want to use and the shop assistant presses the redeem button. Once it’s used, it is deactivated.

Not only does the digital version keep track of what you have redeemed, it can also be used on multiple devices – so the chances of getting better value out your membership increase. Only one device is active at a time, but it’s easy to change this over at the touch of a button, in an instant.

Of course, all the standard benefits like discounted movies, accommodation and shopping vouchers still exist and are accessed in the same way (i.e. online) as the hard copy book.

If you want to know more, check out the FAQs at: http://www.entertainmentbook.com.au/DigiFAQ
Or contact Mel Stacey (YRPS Entertainment Book Coordinator) at any time on 0402 455 809.
